

Edison Talent Show

Learning Goals

- Have Fun!
- Write readable, well-documented code
 - Readable to someone that isn't you, that is!

Talent Show

Welcome to the Edison Talent Show!! You are to create an "act" for the talent show.

What can your Edison do?

- Sing and Dance?
- Find his way out of a Maze?
- Make a conga line with another Edison?
- Follow a light like a cat?
- Clear a path by moving objects outside a space delineated by a line?

Explore the Edison Documentation and use your imagination to program Edison to do something cool!
